

James McGovern, CFA

Jim is a founder and Managing Director of Franklin Park Associates, LLC and a member of the firm's Investment Committee. Franklin Park provides private equity investment management and advisory services to institutional investors, including private and public pension funds, foundations and endowments. At Franklin Park, Jim is actively involved with clients on portfolio planning, construction and management matters. He is also responsible for leading the analysis and evaluation of private equity investment opportunities, monitoring clients' portfolios and conducting industry research.

Prior to Franklin Park, Jim worked with Hamilton Lane and Ernst & Young LLP. He is a CFA Charterholder and a member of the CFA Institute. Jim received a B.S. in Finance from Boston College.
