

Brad Hampton is a vice president for Marquette Associates with 12 years of experience and works from our Baltimore and Philadelphia offices. He joined the firm in 2022 and serves as the lead investment consultant on several client relationships. Brad is a member of the public funds services group and is a member of the firm's traditional manager investment committee.

Prior to joining Marquette, Brad was an area vice president at Gallagher Fiduciary Advisors and served as the lead investment consultant on a variety of institutional relationships. Brad also served as the head of international and global manager research, along with serving on the asset allocation & modeling team. Previously, Brad was a client & investment analyst, focusing on fixed income manager research. Brad also spent time as a treasury & risk analyst at Bayer Corporation.

Brad holds a B.S. in finance from Slippery Rock University of Pennsylvania and an M.B.A. from the Katz Graduate School of Business at the University of Pittsburgh.
