

Adil Abdulali, Chief Investment Officer, Samara Alpha Management

Adil oversees all aspects of selecting, developing, and managing the strategies on Samara Alpha's platform. Adil brings more than 30 years in traditional, alternative, and digital asset management, including capital markets, fixed income, derivatives, securities, and cryptocurrencies, with expertise in investment, risk management, valuation, and systems development. Previously, Adil was president and Chief Science Officer at Protégé Partners, where he seeded more than 40 diverse hedge funds globally with investments ranging from \$25 million to \$100 million. Prior to that, Adil was co-founder at AdKap, a mortgage-backed securities hedge fund, and a senior advisor at Capital Market Risk Advisors, as well as having held various senior roles at Barclays Capital, Nomura Securities, and Nikko

Securities. He began his career as trader at JP Morgan. Adil earned an MA in Mathematics from Massachusetts Institute of Technology and a BA in Mathematics from the University of Pennsylvania.
